

ATTACK RESISTANT DEMO TOUR 2021

Thursday, April 29

11 am to 1 pm

Defender Outdoors

2900 Shotts Street, Fort Worth, TX 76107

**Witness the Strength
of the Attack Resistant
Doors & Glass.**

RSVP: armouredone.com/demo-tour

WHO SHOULD ATTEND:

Architects

Engineers

School Officials

Government Officials

Security Decision-Makers

WHAT TO EXPECT:

Observe the new and most comprehensive Shooter Attack Test method live on the range where doors, locks, and glass are shot and then struck with force. This will demonstrate the difference in the types of security offered on glass and doors to protect from active shooter attacks. You will leave with a better understanding of door and glass security options for your buildings or customers.

HSW AIA CREDITS FOR ATTENDING.
